

SUNNY PRASAD

Full Stack MERN Developer | Building Scalable Web Applications

Bharuch, Gujarat, India | prasadsunny.connect@gmail.com | +91 7984431659 | [Portfolio](#) | [LinkedIn](#) | [Github](#)

PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience building scalable full-stack web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in developing responsive user interfaces, RESTful APIs, JWT authentication, RBAC authorization, and cloudbased media management using Cloudinary. Passionate about backend architecture, clean code practices, and modern web technologies. Currently seeking opportunities to contribute and grow as a Full Stack Developer.

PROJECT EXPERIENCE

- [Business Financial Dashboard \(Freelance Project\)](#) : Developed a full-stack financial management system for a Waffle business, featuring sales & expense tracking, profit & loss analysis, daily/monthly financial reports, inventory management, dashboard analytics, and responsive UI. ([Github](#), [Live Demo](#))
 - [TK Photography \(Freelance Project\)](#) : Developed a full-stack wedding photography booking platform for a real client with booking management, photographer assignment, PDF invoice generation, payment tracking, automated email notifications, and an advanced admin dashboard. Built collaboratively in a team environment. ([Github](#), [Live Demo](#))
 - [SunElite Pharma \(Freelance Project\)](#) : Developed a responsive pharmaceutical product showcase website for a real client using React.js, Firebase Authentication, Firebase Realtime Database, Cloudinary, and Web3Forms. Built an admin panel for product management and inquiry handling. ([Github](#), [Live Demo](#))
-
